### Validating a conceptual model of affective mediation digital training for training of trainers (TOT) in education through expert reviews

LINK

Siti Nurhazzalilla Omar, Sobihatun Nur Abdul Salam, Fauziah Abdul Rahim (2019)

[link]: <http://repo.uum.edu.my/26995/>

Training on affective mediation to TOT using digital tool is needed to motivate trainers to learn. However, to develop a digital training tool that will meet the training's objectives has require a model to be based on. Thus, this paper describes the...

# Membership-based Funding Model

**We propose to fund Open Knowledge Maps in a collective effort:** organizations become supporting members and provide a yearly contribution.

**In return, we invite our members to co-create the platform with us.** Members become part of the Board of Supporters, which is directly involved in the decision-making process of what features and sources are implemented on Open Knowledge Maps.

# Membership Categories

## Supporting member

**1 seat** on the Board of Supporters, listing on website

starting at **EUR 2,800** per year

## Sustaining member

**2 seats** on the Board of Supporters, listing on website and in select materials with logo

starting at **EUR 4,800** per year

## Sustaining member PLUS

**3 seats** on the Board of Supporters, listing on website and in select materials with logo

starting at **EUR 9,800** per year
